Director Thanks

I hope you guys had as much fun playing the league and tournament as I had organizing it. I hope we can all continue to play together and continue to grow Racquetball at Rutgers and in New Jersey.

I would also like to thank the Cook/Douglas staff for getting our guest players in without much difficulty. Also for moving the laundry out of the courts.

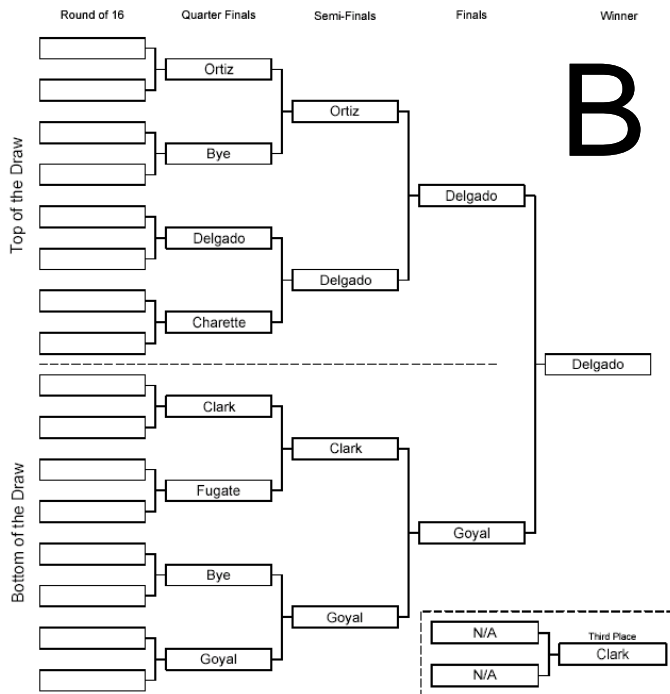

Good luck and hope to see you on the courts.
Joseph Delgado

Tournament Format

This blue ball Tournament spans three single elimination divisions. Semi-finalists come back on the day of the finals to play for third and fourth place.

First and second place winners get trophies for each division.

Best two out of three games. First two to 15 points, third game to 11. Coin toss for serve, winner calls who serves game 1. Game 2 opposite order. Third game order by points. If equal, another coin toss is used.
